## Poor Digestion? " Headachy? Sour or Upset? **Tired-Listless?**

poorly digested food? To feel cheerful and happy again your food must be

digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigestedleaving you headachy and irritable. Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quicklyoften in as little as 30 minutes. And, you're on the road to feeling better. Don't depend on artificial aids to counteract indigestion-when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed.
